LinkedIn: linkedin.com/in/paradise-george-701265388

Objective

Enthusiastic and detail-oriented Front-End Developer with a strong foundation in HTML, CSS, and JavaScript, recently completed an intensive bootcamp at TechCrush. Eager to contribute to innovative web projects at Business Web Solutions, leveraging skills in UI development and a passion for creating user-friendly interfaces. Committed to learning advanced frameworks like Vue and Nuxt, and collaborating effectively in remote, agile teams.

Education

TechCrush Front-End Development Bootcamp, Port Harcourt, Nigeria (Completion-Date: October 2025)

- Intensive training in front-end development, focusing on HTML, CSS, and JavaScript.
- Built responsive web projects, emphasizing clean code and modern design principles.

Skills

- Frontend Technologies: HTML5, CSS3, JavaScript (ES6+)
- Tools & Platforms: VS Code, Chrome Developer Tools
- Soft Skills: Strong communication, teamwork, problem-solving, and adaptability

Projects

Personal Portfolio Website – TechCrush Bootcamp (October 2025)

- Developed a responsive portfolio website using HTML, CSS, and JavaScript.
- Implemented modern design principles to ensure cross-browser compatibility and mobile responsiveness.

E-Commerce Product Page – TechCrush Bootcamp (October 2025)

- Created an interactive product page with dynamic content using JavaScript.
- Designed a user-friendly interface with CSS Grid and Flexbox for layout optimization.
- Tested and debugged functionality to ensure a seamless user experience.

Personal Projects:

- Guessing Game: <https://numblade.netlify.app/>
- DishCovery: Ongoing project (Dishcovery is a simple and intuitive recipe-sharing platform that helps Nigerians easily find, learn, and share recipes, especially local dishes.)

Certifications

TechCrush Front-End Development Bootcamp Certificate (Pending, November 2025)
